

Subsidy Request Form

We believe that every youth who is appropriate for our program should be able to participate, regardless of financial resources. If needed, we can provide subsidies to cover the full or partial cost of canoe trips. As we are a non-profit organization, we appreciate any and all contributions made by families and other youth supporters, such as referring agencies if they are able to do so. Please feel free to reach out to our team (info@canoe.org), if you have any questions or a need for further follow up.
